P.O. Box 124
Millbrook, Alabama 36054

REQUEST FOR ARCHITECTURAL REVIEW COMMITTEE APPROVAL

This is a request form for approval by the Architectural Review Committee ("ARC") for the improvement you would like to make to your lot or home. The ARC will review your information carefully and approve or deny your request. The ARC has 21 days from receipt of this completed form to respond to your request.

Please email your request to one of the ARC members (found on our website) or mail your request to:

Brittany Place Homeowners Association, Inc.
ATTN: Architect Review Committee
P.O. Box 124
Millbrook, AL 36054

DETAIL DESCRIPTION OF WORK:

If necessary, please include a copy showing the exact location, height, square footage of the improvement, existing structure, and property line, and a complete listing of construction material, drawing and plan.

I, _____, the Homeowner certify(ies) that all material submitted to the Brittany Place HOA ARC, with this request for review, are true and correct. No work will be performed prior to approval of my request. There will be no deviation from the information submitted.
